**INTERNATIONAL COMPETITIVE BIDDING
INFORMATION FOR BIDDERS (IFB)
1x350 MW EXTENSION PROJECT
OF
4x350 MW KAMALANGA THERMAL POWER
PROJECT
AT
DHENKANAL DISTRICT, ODISHA, INDIA**

GMR Kamalanga Energy Limited (Owner) invites Bid for setting up 1x350 MW extension project and its associated systems of 4x350 MW Kamalanga Thermal Power project at Dhenkanal District, Odisha, India.

1. Project Synopsis

GMR Kamalanga Energy Limited, is a part of GMR group, has developed 3x350 MW (1050 MW-gross) coal fired power project in Kamalanga village, Dhenkanal district of Odisha and is under operation.

All the 3 units of 3x350MW GMR Kamalanga Energy Ltd. (GKEL) are in commercial operation from FY 2013-14.

GKEL intends to complete the partly completed fourth unit .

The configuration of GKEL plant is two numbers of 2X350 MW adjacent to each other with common Chimney and Control room for each set of 2 x 350 MW plants. In the second set of 2X350 MW with the common Chimney and Control room, only one unit was developed and in operation and the balance space is available for development. The associated BOP was designed to meet the requirements of all the four units and in use and catering the existing plants except the required system, which are stand alone in nature required for the planned fourth unit. Now GKEL likes to take-up and complete the development of fourth unit within 24-month timeline from zero date through below proposed tentative six packages as listed below in the description of the packages.

The existing unit of GKEL has fuel linkages with Mahanadi Coal Fields (MCL) subsidiary of Coal India Limited (CIL) and long term PPA with GRIDCO (Odisha), Uttar Haryana Bijli Vitran Nigam, (UHBVNL) & Bihar State Electricity Board(BSEB) and medium term PPA with TANGEDCO (Tamil Nadu). GKEL has tied up PPA with GRIDCO and KEB (Karnataka) for the power generated from the 4th Unit as well. Fuel linkage corresponding to these PPA's are also being tied up with the help of the respective DISCOMS.

2. PLANT INFORMATION

- a) **GMR Kamalanga Energy Ltd**, 1050 MW (3X350 MW) Coal based Power Plant located in Kamalanga Village, Dhenkanal district, Odisha, India.
- b) **Location:** The Plant is located at Kamalanga off the National Highway NH55 about 120 km northwest of capital city of Bhubaneswar, Odisha.
- c) **Latitude / Longitude of Project Location:** 20°51'50.7"N/ 85°15'58.1"E
- d) **Temperature:** Maximum Dry Bulb Temp: 47.2 °C & Minimum Dry Bulb Temp: 6.7 °C
- e) **Maximum Annual Rain Fall:** 1400 mm
- f) **Nearest Railway Station:** Angul railway station (25 Km) from site
- g) **Power Evacuation:** Connected to Power Grid Corporation of India Limited (PGCIL) Sub-station for power evacuation
- h) **Power Purchase Agreement (PPA):** GKEL has medium and long term PPA with various DISCOM's.
- i) **Main Plant & Balance of Plant:** Boiler from Harbin and Turbine from Dongfang and EPC by SEPCO, China.
- j) **Certifications:** Quality Management System (9001:2015), Environment Management System (14001:2015), OHSAS (18001:2007) and Energy Management System (50001:2011).

3. Proposed Tender Packages for the development of 4th Unit of 350 MW

Description of Packages

- 3.1. **Package II:** Civil works, erection integration, site testing and commissioning of **BTG** Package.
- 3.2. **Package III:** design, engineering, manufacturing, factory testing, supply of **Ash Handling System** including civil work, erection, installation, commissioning and testing on EPC basis.
- 3.3. **Package IV:** design, engineering, manufacture, supply of **Induced Draft Cooling Tower** installation and erection testing and commissioning including the civil works.
- 3.4. **Package V:** design, engineering, manufacturing, factory testing & supply of **Switch Yard** including civil work, erection, installation, commissioning and testing on EPC basis.

4. SCOPE OF WORK – The Scope of Work for respective Package are as provided under Volume II.

5. QUALIFICATION OF BIDDERS AND THEIR ASSOCIATES

The criteria given below are only for the reference of prospective bidder. The criteria set out in the bid document shall be final.

5.1. Bidder Criteria

This Tender is open to only single bidders (hereinafter called the “**Bidder**”) of good repute, well established ‘Contractor’ having expertise in EPC mode and meets the Must Conditions stipulated hereunder for participation in this bidding process. Bidders are free to apply for all the bids. Failure to meet any of these qualification requirements shall result in disqualification of the Bidder.

5.2. Financial Criteria:

Bidder shall refer the respective Instruction to Bidders.

5.3. Technical Criteria

Bidder shall refer the respective Instruction to Bidders.

6. Tender Schedule (Tentative) for Packages:

Tender No. GKEL/Unit-4 Ext Work/EPC/25-26/001		
Sr No	Description	Date
a)	Issue of NIT	13/03/2026
b)	Start date for accepting the request for tender documents and deposit of tender fee	18/03/2026
c)	Bidding Document sale opening date and time	20/03/2026
d)	Last Date for completion of Site Visit	30/03/2026
e)	Last date for submission of pre-bid queries for Pre-Bid Conference	03/04/2026
f)	Date of Pre Bid Conference (PBC)	06/04/2026
g)	Last date to reply PBC queries	14/04/2026
h)	Last date and time for submission of Bid (both Technical & Price Bid)	18/04/2026
i)	Opening of Technical Bid and verification of Bid Security Submission	30/04/2026
j)	Opening of Price Bid	Shall be intimated later
k)	Bid Validity	365 days from date of opening of Bid Proposal and 3 years price validity for

GMR KAMALANGA ENERGY LTD Tender Documents for 1X350 MW extension project Information For Bidders
